AUDIT COMMITTEE CHARTER

The Board of Directors (“Board”) of Nuveen Churchill Direct Lending Corp. (the “Company”) has determined that the Audit Committee of the Board (the “Committee”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. The Board hereby adopts this charter (“Charter”) to establish the governing principles of the Committee.

I. Purpose

The primary function of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Company’s accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

- a. the quality and integrity of financial reports and other financial information provided by the Company to governmental bodies or the public and the independent audit thereof;
- b. the Company’s system of internal controls regarding finance and accounting (including valuation policies) compliance;
- c. the material aspects of the Company’s accounting and financial reporting process generally;
- d. the independence, qualifications and performance of the Company’s independent registered public accounting firm (“independent accountants”), including the lead audit partner;
- e. the compliance by the Company with legal and regulatory requirements, including the Company’s disclosure controls and procedures;
- f. the performance of the Company’s internal audit function; and
- g. the disclosure by the Audit Committee of the report required by the Securities and Exchange Commission (“SEC”) to be included in the Company’s annual proxy statement.

Additionally, the Committee, in conjunction with the Board, will oversee the valuation processes of Churchill DLC Advisor LLC, the Company’s investment adviser, as the valuation designee (the “Valuation Designee”), in determining the fair value of portfolio securities for which market quotations are not readily available in accordance with the Company’s valuation policy and Rule 2a-5 under the Investment Company Act of 1940, as amended (the “1940 Act”).

The Committee will primarily fulfill these oversight responsibilities by carrying out the duties enumerated in Section V of this Charter.

II. Scope

While the Committee has the oversight responsibilities set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate or are in accordance with U.S. generally accepted accounting principles (“GAAP”). The responsibility to plan and conduct audits is that of the Company’s independent accountants. In fulfilling this responsibility, the independent accountants are ultimately accountable to the Board and this

Committee. The Company's management has the responsibility to determine that the Company's financial statements are complete and accurate and in accordance with GAAP. It is also not the duty of the Committee to ensure the Company's compliance with laws and regulations or compliance with the Company's Code of Ethics or Code of Business Conduct. The primary responsibility for these matters also rests with the Company's management.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with the Company's management, independent accountants, internal auditors or other personnel responsible for the internal audit function, third-party valuation firms, pricing service providers, and others regarding the quality of the financial statements and the system of internal controls.

III. Membership Requirements

The Committee shall be comprised of three (3) or more directors, each of whom:

- a. shall be an independent director meeting the independence requirements under Section 303A.02 of the New York Stock Exchange ("NYSE") Listed Company Manual;
- b. shall not be an "interested person" (as defined in Section 2(a)(19) of the 1940 Act) of the Company or its advisers, Churchill DLC Advisor LLC, Churchill Asset Management LLC, and Nuveen Asset Management, LLC (together, the "Advisers");
- c. shall be free from any material relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee;
- d. shall be or shall become (within a reasonable period of time after his or her appointment) "financially literate," as such qualification is interpreted by the Board; and
- e. shall have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Company. In addition, at least one member of the Committee shall have accounting or related financial management expertise in the business judgment of the Board, a requirement that is presumed satisfied if the member qualifies as an "audit committee financial expert" within the meaning of Item 407 of Regulation S-K.

The members of the Committee shall be nominated by the Nominating and Corporate Governance Committee annually and as vacancies or newly created positions occur. The members of the Committee shall be appointed by the Board.

Unless a Chairperson is elected by the full Board, the members of the Committee may designate a Chairperson by majority vote of the full Committee membership.

Any member of the Committee may resign from the Committee at any time upon notice of such resignation to the Company. The Board shall have the power at any time to remove a member of the Committee with or without cause, to fill all vacancies, and to designate alternate members, upon the recommendation of the Committee, to replace any absent or disqualified members.

IV. Meetings

The Committee shall meet at least four times each year, or more frequently as circumstances require. The Chairperson of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the independent accountants at their request to discuss the interim financial results. The Committee may request any member of the Board who is not a member of the Committee, officer of the Company, employee of the Advisers or the Company's outside counsel or independent accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee shall regularly report to the Board.

Action may be taken by the Committee upon the affirmative vote of a majority of the members present at the meeting if a quorum of committee members, as defined in the Company's bylaws, is present (or where only two members are present, by unanimous vote).

An agenda, together with materials relating to the subject matter of each meeting, shall be sent to members of the Committee prior to each meeting. Minutes for all meetings of the Committee shall be prepared to document the Committee's discharge of its responsibilities. The minutes shall be circulated in draft form to all Committee members to ensure an accurate final record, shall be approved at a subsequent meeting of the Committee and shall be distributed periodically to the full Board.
